

That's funny!
There's a big bunny
drinking tea with honey.

That's neat!
Rudy can balance one carrot and one beet
On top of each of her feet.

Whew!

Did you see that, too?

A toad just jumped into my shoe!

Ouch!

This kangaroo on the couch

Has a thorn stuck in her pouch.

That's crazy!
That caterpillar is so lazy.
For two days he just lay on a daisy.

That's cool!
When Luis left for school,
He was followed by his mule.

That's scary!
Something big, dark, and hairy
Is eating my last blueberry.

That's wild!
Grandma's phone number was dialed
By a two-and-a-half-year-old child.

That's loud!
There's a whole crowd
Playing horns where they're not allowed.

That's smelly!
This skunk has on his belly
Steamed asparagus with garlic jelly.

Did you hear rustling in the tall grass?
I think a deer just ran past.
That was fast!

Billy put pizza in his chili.
OK, now really,
That's just silly!

Alright.
It's time to turn out the light.
Have a good night!
